HAVE A SPECIAL SKILL?

We welcome help with photography, social media, graphic design, decorating, hospitality, food service, transportation, emceeing, music, auction support, business connections, sponsorships, and other special talents.

OPEN YOUR HOME. OPEN THE DOOR TO HOPE.

You don't have to organize a large event to make an impact. Invite friends, neighbors, your Bible study, women's group, home fellowship, or church group to gather for coffee, dessert, dinner, or a simple evening of learning about Beautiful Beginnings. We would be happy to share our mission.

YOU DON'T HAVE TO BE A PROFESSIONAL FUNDRAISER

Sometimes the greatest help is simply showing up, pitching in, and helping make an event successful. Whether you can give a few hours, host a table, gather a small group, make an introduction, or take on a larger role, your time, connections, and willingness to serve can make a real difference.

Different Events. Same Purpose.
