Mentoring & Community Support

WALKING ALONGSIDE. BUILDING BRIGHTER TOMORROWS.

Every young mom needs people in her corner. Mentors and community support volunteers help create a network of encouragement, practical support, and friendship. You don't have to have all the answers — just a willing heart, a listening ear, and a desire to come alongside a young mom as she works toward her goals.

*"Carry each other's burdens,
and in this way you will fulfill
the law of Christ."*

GALATIANS 6:2

WAYS YOU CAN HELP

Mentor & Encourage

Build a supportive relationship, listen, and encourage a young mom in her journey.

Transportation Support

Help with rides to appointments, classes, job interviews, or other important activities.

Practical Support

Assist with everyday needs such as shopping, meal support, or help with moving or setting up a new space.

Be a Friend

Show up consistently, celebrate milestones, and offer companionship and encouragement.

Pray & Support

Pray for and with the young moms, and help them recognize their strengths and God-given potential.
